TEMPLE OF THE HOLY SPIRIT

A Bible Study on Paul's First Epistle to the Corinthians.

Dr. Nicholas Lebish, D.Min.

St. Paul's first epistle to the Corinthians was the most widely quoted and referenced letter of the Bible in the early Church for catechesis and formation among adults. 2000 years later, it's just as powerful! Join us for a five-part summer Bible study on this instructive and enlightening epistle in the mornings in Louisville or in the evenings in Elizabethtown!
